Hereby the signing Organization explicitly states that it has read and understood the “Policy for the Association of Organizations with FSC®” as published under [www.fsc.org](http://www.fsc.org). This policy stipulates FSC®’s position with regards to unacceptable activities by organizations and individuals which already are or would like to be associated with FSC® as well as the mechanism for disassociation.

In light of the above, the Organization explicitly agrees currently and in the future, as long as the relationship with FSC® exists, not to be directly or indirectly involved in the following unacceptable activities:

- a) Illegal logging or the trade in illegal wood or forest products;
- b) Violation of traditional and human rights in forestry operations;
- c) Destruction of high conservation values in forestry operations;

Based upon these Principles, and consistent with applicable national law, rights, regulations, and administrative/judicial rules and procedures, the signing Organization shall respect:

- a) freedom of association and the effective recognition of the right to collective bargaining;
- b) the elimination of all forms of forced or compulsory labor;
- c) the effective abolition of child labor; and
- d) the elimination of discrimination in respect of employment and occupation.
